**AIKEN ELEMENTARY
SCHOOL PTO**

Dear Friend,

Aiken School is one of West Hartford's eleven elementary schools and perhaps it's most diverse. With over 400 students and over 25 languages spoken, we're a vibrant melting pot in the West Hartford community. Our PTO is committed to supporting our diverse group of students, teachers, and families by making sure our school has everything it needs to be successful.

Together with our event committee, the PTO is hosting our 13th Parent's Night Out fundraiser on Thursday, May 12, 2022. After taking a year off because of COVID, we are excited to hold the event right in our neighborhood, at The Pond House.

All the funds we raise together from this event go directly back to our West Hartford community through improving the educational experience at Aiken Elementary. In past years we've been able to fund close to 100% of our teachers' wish lists of items for their classrooms with the money raised from this event. Specifically, this year we have our eyes set on enhancing the educational environment at Aiken with a sensory playground, technology upgrades and experiences for the kids to remember.

Attached to this letter is a simple form we'd ask you to please fill out with all the details of the item and/or experience you'd like to donate. Please don't hesitate to reach out with any questions. We hope you can join us in our efforts and appreciate your support of Aiken!

Sincerely,
Julie Cutler and Amanda Pihl
